Abstract without image: 500 words, 2500 characters max
Abstract with 1 image: 250 words, 1200 characters max

This is just a place-holder text.
Please use Times New Roman size 10 for your abstract’s text.
Please refrain from including unnecessary information in the submitted abstract.
Make sure to point out the key elements of your work and highlight innovative techniques or novel applications and conclusions [1].

Keywords
Use as many relevant keywords as you see fit, with a minimum of 3 and a maximum of 8. Refrain from repeating or rephrasing the same keyword more than once.

Acknowledgements: 50 words, 300 characters max
You can optionally include your funding agency, group, collaboration and/or any other acknowledgment of contribution to your work.

References: Max 3
[1] Limit your references to key publications related to your work, up-to and including any publication that is directly sourced from your presented work.

Make sure that your submitted document is no more than 1 page in its entirety.
